Whatever the space may be, let us help you transform it into the inspirational working space that you’ve always wanted.

Borders + Series

There is a delicate balance needed to create privacy and team collaboration in open spaces. Borders+ is exactly what your office has been looking for to improve productivity, while creating the perfect flexible, professional and open workspace.

Power Wall

Use as a standalone or wall attachment to mount up to a 50" monitor for all to view or combine and use as a base for a sitting or standing height conference table—perfect for any open space environment.

Boat Shaped Conference Tables

A traditional shape paired with a simple panel base gives a blend of style and value.

Racetrack Conference Tables

Space saving and modern design paired with elliptical base gives an enhanced look. Power upgrades make the conference space equipped for today's digital workspace.

Rectangular Conference Tables

Maximize the work area and pair with cube bases in standard height or bistro height offers a modern touch.

Reception Stations

Now more versatile, these reception stations can have optional overlay, glass, rectangular or bow front transaction tops.

Create spaces where people want to be.

Whether it is in a corporate setting, community area, or in an education or healthcare environment, NDI+ delivers options for privacy, openness, comfort, style, and extreme flexibility. When people enter into your workspace—employees, clients, or guests—they will feel welcomed and excited to come back again soon.
